## Our Promise To You

To take advantage of our unique price promise, email or fax us 2 or 3 of our competitors quotations and we will not only match but better their price by 5% on all like for like quotations.

The quotations from other companies must be from a LTD company in the UK and must have been trading for 3 or more years. It's that simple!

All of our price promises are on an apples for apples like basis  
Same equipment, standard and quality.

How much easier have we made it for you to choose the right contractor?
